POLITICAL ANNOUNCEMENTS

For Circuit Judge

The Interior Journal is authorized to announce Charles A. Hardin as a candidate for Circuit Judge of the Thirteenth Judicial district, at the election to be held November, 1911, subject to the action of the Demo-

The Danville Advocate and a nice little fit of its own last week because the Democratic State Executive Committee did not include a popular vote for United States Senator in the call for the state primary to be held May 27th. Now we are most heartily in favor of the people electing U. S. Senators, and while they have not the right to do so under the present law, we believe as a rule a popular primary should be held to determine the people's choice for this office. But the present case is one in which we think the State Committee did exactly right in not including the senatorship in the primary. When the opponents of Senator McCreary saw that the committee would call a primary, they made a fierce demand for a senatorial call, too. Their calculations were transparent to all but the virest tyro in politics. They figured that with Ollie James, an avowed Johnson man, running for senator, and considering James popularity in western Kentucky, they could easily give McCreary the double-cross between James and Johnson, or, to use a trite expression "play both ends against the middle."

Those who have heretofore been loudest in denunciation of the committee for leaving out the senatorial call have been mostly for Johnson for governor, or at least anti-McCreary, and plainly saw go glimmering their hopes of a combination in the primary by which they might overcome the tremendous strength which McCreary has with the people. They yelled first because a convention was not called, for they had relied upon some similar combinations in that to defeat McCreary. And when a primary was ordered, they saw but one hope left to defeat the people's choice for governor, and that was by forming an alliance of their gubernatorial candidate with a candidate for United States Senator.

Our good friend of the Advocate seems to have swallowed without due reflection, a goodly portion of the dope handed out by Ollie James and the anti-McCreary people at Louisville last week. We do not believe that the State Committee was controlled by any man or set of men with any purpose in view but to give the democrats of Kentucky a full and fair opportunity to register their choice for governor, without being complicated by any entangling alliances. If the candidates for senator would make a little more noise about what they are going to do to help elect the state ticket this fall and not so much fuss and playing of the baby act because they didn't get just what they wanted, the democrats of the state will be inclined to favor them, much more kindly when the time comes to consider their claims.

The Smithland Banner published in Livingston county, lets out a great "boiler" that the Standard Oil Company controlled the action of the Democratic State Committee in calling a primary to name a candidate for governor. If that is so—and we don't believe it is—the S. O. is rather more inclined to give the people what they want than many captious critics of that famous octopus have been willing to concede in the past. We would, however, call the attention of the Banner to the fact that the professional legislative lobbyist of the Standard Oil Company at Frankfort is an ardent champion of the Hon. Ben Johnson for governor. As the S. O. political representative undoubtedly favors those candidates for office most friendly to his master, and as Ben Johnson wanted a convention the very worst kind, it seems to us that the discrepancy between the above statements is impossible of explanation. Guess again, Bro. Landrum.

The Interior Journal has been so torn up during the past week with moving and installation of its new press that we are sure its friends will overlook any deficiencies in this issue.

Here's something good for I. J. readers: The Cincinnati Post daily one year; the Interior Journal one year; and the Post's beautiful 1911 Woodland Calendar all for \$2.50. This offer is good for both new subscribers and old ones who renew. The Calendar is a beauty, while most everyone knows what a bargain a subscription is at once.

Woman's Power Over Man

Woman's most glorious endowment is the power to awaken and hold the pure and honest love of a worthy man. When she loses it and still loves on, no one in the wide world can know the heart agony she endures. The woman who suffers from weakness and derangement of her special womanly organism soon loses the power to sway the heart of a man. Her general health suffers and she loses her good looks, her attractiveness, her amiability and her power and prestige as a woman. Dr. R. V. Pierce, of Buffalo, N. Y., with the assistance of his staff of able physicians, has prescribed for and cured many thousands of women. He has devised a successful remedy for woman's ailments. It is known as Dr. Pierce's Favorite Prescription. It is a positive specific for the weaknesses and disorders peculiar to women. It purifies, regulates, strengthens and heals. Medicines dealers sell it. No honest dealer will advise you to accept a substitute in order to make a little larger profit.

IT MAKES WEAK WOMEN STRONG, SICK WOMEN WELL.

Dr. Pierce's Pleasant Pellets regulate and strengthen Stomach, Liver and Bowels.

One of the handsomest calendars seen yet is the one sent out by The National Stockman and Farmer, of Pittsburgh, Pa. It will be sent to anyone who will send 10 cents to pay package and postage.

Scott's Emulsion

is the original—has been the standard for thirty-five years.

There are thousands of so-called "just as good" Emulsions, but they are not—they are simply imitations which are never as good as the original. They are like thin milk—SCOTT'S is thick like a heavy cream.

If you want it thin, do it yourself—with water—but don't buy it thin.
